5 This is the day that the Lord God has giv - en. Now is the time for my

8 soul to be free. This is the hour my heart is for-giv - en

11 So I can be what You want me to be. For the Lord, rich in His mer-cy,

15 full of compas-sion and kind-ness toward me will re-store that which was bro-ken

19 so I can be what He wants me to be.
